Tunnel Climber - Primary
CF805-173

Ages: 8 months - 3 years
Vibrant primary colors highlight this versatile soft climber. Young explorers can crawl around and pull themselves up on the colorful shapes or venture through the tunnel. As they grow and gain confidence, they will climb to the top to survey their world! The pieces attach securely with hook and loop fasteners creating a tidy and safe play environment. A floor mat goes under the tunnel keeping crawling children clean. Dense foam shapes have no sharp edges and cover material easily wipes clean.
Size: 60"l x 20"w x 15"h

Climb and Play 6 Piece Play Set - Primary
CF805-168

Ages: 8 months and up
Tiny architects and future engineers can enhance their gross motor skills with our collection of soft climbable shapes. The stacking, climbing, crawling and building will never end with these simple shapes that can be put together in countless different ways. Play forms are even lightweight enough for toddlers to arrange and rearrange! Solid 1 color blocks were designed so teachers can easily teach basic colors to inquisitive little learners.
Climb and Play 6 Piece Play Set - Woodland
CF805-169

Ages: 8 months and up
Tiny architects and future engineers can enhance their gross motor skills with our collection of soft climbable shapes. The stacking, climbing, crawling and building will never end with these simple shapes that can be put together in countless different ways. Play forms are even lightweight enough for toddlers to arrange and rearrange! Solid 1 color blocks were designed so teachers can easily teach basic colors to inquisitive little learners.

Tunnel Climber - Woodland
CF805-172

Ages: 8 months - 3 years
Cozy woodland colors highlight this versatile soft climber. Young explorers can crawl around and pull themselves up on the colorful shapes or venture through the tunnel. As they grow and gain confidence, they will climb to the top to survey their world! The pieces attach securely with hook and loop fasteners creating a tidy and safe play environment. A floor mat goes under the tunnel keeping crawling children clean. Dense foam shapes have no sharp edges and cover material easily wipes clean.
Size: 60”l x 20”w x 15”h
