Welcome to our 2020 catalog of award winning furniture for Early Learners between the ages of six months and six years.

The bold new look befits our brand and the engaging user-friendly format organizes product categories by usage [see Table of Contents, left]. We know you’re especially interested in new products, which you’ll find in the first section of the catalog on pages 2 - 13.

Speaking of new products, our new Nature Reading Haven received the prestigious Learning magazine 2020 Teachers’ Choice Award for Preschool, the first time a furniture item has won the award. A transformational product that inspires children to read, the Nature Reading Haven should be a fixture in every Early Learning environment. The comments from the award evaluators on page 5 tell the story.

Of course, all Whitney Brothers® products qualify to earn LEED credits, meet or exceed applicable ANSI / BIFMA standards and are GreenGuard™ Gold certified, supported by our Limited Lifetime Warranty and proudly made in America. While our brand is widely acknowledged as Best Quality, our products are priced at mid-market so you can be confident of their exceptional value.

So whether you sell, use, design-in, specify, recommend, select or authorize the purchase of furniture for Early Learning classrooms or childcare environments, make award winning Whitney Brothers® your brand of choice. You’ll find our products available through carefully selected authorized dealers and on national, state, regional, local and municipal purchasing contracts.

“Our task... is to help children climb their own mountains, as high as possible.”
– Loris Malaguzzi, Reggio Emilia Approach
Learning to become a biped is no easy task for an infant or toddler. It requires strength, balance and confidence. Our beautifully crafted blocks with tactile soft carpet entice the crawling infant to build needed large muscles and develop gross motor skills. Carpeted ramps, steps, concave and convex platforms provide transitions while cushioning a toddler's oops, bumps, and falls. Arrange the shapes any way you want and watch them explore, succeed and venture farther.
